#### PRESENT:

Shri P. S. Bindra, B.A.L.L.B., *Chairman*.

#### PARTIES:

and

their workmen.

#### APPEARANCES:

Shri Harish Chandra Mehta, Branch Secretary, New India Assurance Co. Ltd.

Patna Branch . . . . . For the employers..

No appearance on behalf of the workmen.

#### AWARD

By Government of India, Ministry of Labour Order No. S.R.O. 3063 dated 10th September, 1954 and subsequent Order No. S.R.O. 599, dated 11th March 1955, a

dispute between the employers in relation to the New India Assurance Co. Ltd., Patna, and their workmen in respect of the following matters have been referred to this Tribunal for adjudication:—

- (i) whether the termination of the services of Shri Nagendra Nath Bhattacharya from the Patna office of the company was justified.
- (ii) if not,
  - (a) whether he should be reinstated, and
  - (b) whether and if so what, additional reliefs should be allowed to him."

2. Usual notices were issued to the parties. The workmen filed their written statement Exhibit 4 contending that the act of the management in terminating the services of Shri Nagendra Nath Bhattacharya was wrongful, illegal, improper and mala fide.

3. Before submitting its written statement the management filed an application before the High Court of Judicature at Patna under the Constitution of India challenging the order of reference of the Government. The proceedings were stayed under the orders of High Court of Patna. On 21st July, 1955 the High Court of Patna dismissed the petition and vacated the stay order. On 2nd August 1955 a memorandum of settlement dated 25th May, 1955 was received by registered post. So the parties were directed to appear before me to admit or deny the same, on 22nd August, 1955. The parties were duly served and Shri Harish Chandra Mehta on behalf of the management appeared and stated that as per terms of the agreement Exhibit 'A' Shri N. N. Bhattacharya has been paid Rs. 10,000 (ten thousands) in full and final settlement of all his claims and there is no further dispute between the parties. No one personally appeared on 22nd August, 1955 on behalf of the workman or the union, to admit or deny the memorandum of settlement marked Exhibit 'A' but the President and the General Secretary of the Union representing the workmen have confirmed by their letter dated 29th June, 1955 that the matter has been amicably settled between them and that an award may be passed in terms thereof.

4. In my opinion the terms of the settlement are fair and reasonable. I therefore pass an award in terms of the compromise, a copy of which is attached herewith. (Exhibit 'A').

New Delhi, the 7th September 1955

**S.R.O. 2045.**—In pursuance of section 36 of the Employees' State Insurance Act, 1948 (XXXIV of 1948), the revised estimates for the year 1954-55 and budget estimates for the year 1955-56 of the Employees' State Insurance Corporation as finally adopted by the Corporation are hereby published for general information.

#### REVISED BUDGET ESTIMATES FOR THE YEAR 1954-55

AND

#### BUDGET ESTIMATES FOR THE YEAR 1955-56

At its meeting held on the 25th November, 1953, the Budget Estimates of the probable receipts and expenditure of the Employees' State Insurance Corporation, for the financial year 1954-55, were approved by the Standing Committee, and they were also passed by the Corporation at its meeting held on the 27th November, 1953. These estimates were presented in two parts, namely—

(1) *Statement 'B'—Sanctioned Measures*—i.e. measures needed for the running of the scheme in Delhi, Kanpur, the Punjab, the Calcutta City and the Howrah District, the Greater Bombay, and also in Bangalore and Coimbatore, and

(2) *Statement 'C'—New Proposals*—i.e. measures needed for the extension of the scheme to a number of other centres during the year 1954-55.

2. Besides Delhi, Kanpur and certain important centres in the Punjab, where the scheme had already been implemented prior to 1954-55, the scheme was implemented in Nagpur from the 11th July, 1954, in Greater Bombay from the 2nd October, 1954, at four centres (Indore, Ujjain, Ratlam and Gwalior) in Madhya Bharat and at Coimbatore in the Madras State from the 23rd January, 1955. It has not been possible yet to introduce the scheme in the other places envisaged in the Budget Estimates for the current year. It is now proposed to introduce the scheme in other places as follows:—

1. Hyderabad	on or about the 1st March, 1955
2. Calcutta City & Howrah Distt.	" 1st March, 1955
3. Ahmedabad	" 1st May, 1955
4. Saurashtra	" 1st May, 1955
5. Travancore-Cochin	" 1st May, 1955
6. All other centres with nos. of employees of 5,000 or over	" 1st October, 1955
7. All other centres with nos. of employees between 2,000 and 5,000	" 1st January 1956

3. In the light of this revised programme of implementation of the scheme, the Estimates for the year 1954-55 have now been revised; the Budget Estimates for 1955-56 have also been prepared on the same basis. These are submitted for consideration and approval (Statement 'A').

4. (i) In columns 8 to 10 of the Statement 'A' the revised estimates have been shown for the year 1954-55 for sanctioned measures, i.e., for measures needed for running the scheme in Delhi, Kanpur, the Punjab, Nagpur, Greater Bombay, Madhya Bharat and Coimbatore and for extending the scheme to the Calcutta City and the Howrah District and Hyderabad.

(ii) In column 11, the Budget Estimates for the year 1955-56 for the sanctioned measures in the centres mentioned in (i) above, and also for the implementation of the scheme in Ahmedabad, Saurashtra and Travancore-Cochin have been indicated.

(iii) Column 12 of the Statement shows the Budget Estimates for New Proposals i.e., for extending the scheme during the year 1955-56 to a number of other centres, where the insurable population is estimated to be 2,000 or more.

5. Brief explanations of the amounts provided under the various heads are furnished below, wherever they seem necessary. Income and Expenditure Accounts along with the Balance Sheets, as they are expected to stand on the 31st March, 1956, and the 31st March, 1956, in respect of the sanctioned measures, are enclosed.

6. As the expenditure on pay and allowances has been exhibited in two separate compartments under "A—Superintendence" and "B—Field Work" which has been further sub-divided into various categories, such as Principal Officers, other Officers, Ministerial Establishments and Class IV servants, further details thereof have not been appended.

#### SANCTIONED MEASURES

#### REVISED ESTIMATES FOR THE YEAR 1954-55

##### RECEIPTS

7. The total amount of ordinary revenue is now estimated to be Rs. 3,21,46,600/- in the year 1954-55 as against Rs. 4,41,500 (sanctioned measures) assumed in the Budget. This decrease in revenue is mainly due to the delay that has occurred unavoidably in implementing the scheme in the Calcutta City and the Howrah District, Bangalore, Coimbatore and also in Greater Bombay. The receipt on account of the "Grant-in-aid" from the Central Government is now estimated at Rs. 17,21,900, as against the provision of Rs. 18,67,200 made in the Budget, as it now expected to exceed the original budget estimate by a sum of Rs. 1,03,000, as 54, on which this grant is based. The receipts from "Interests and Dividends" are now expected to exceed the original budget estimate by a sum of Rs. 1,03,000, as the investment of the General Cash Balance is now anticipated to be of the order of two and a quarter crores, as against a crore and a half assumed in the Budget. The other variations from the original budget estimates are not of a material nature.

##### EXPENDITURE

The total expenditure chargeable to Revenue is now estimated to amount to Rs. 92,70,550 as against Rs. 2,32,37,150 (Sanctioned Measures) assumed in the Budget. This reduction of over 139 lakhs is mainly due to the implementation of the scheme in Calcutta City and Howrah District, Coimbatore and Greater Bombay coming much later than was planned originally. Of this reduction, about Rs. 117 lakhs come under "Benefits" while the remaining 22 lakhs are under "Administration Expenses."

The amount originally provided for expenditure on capital account was Rs. 44,12,000 which include Rs. 40 lakhs for the construction of hospitals and dispensaries and Rs. 2 lakhs for equipping Diagnostic Centres in Calcutta. As there is not likelihood of any construction work being undertaken in 1954-55, a sum of Rs. 47,900 only is being provided, mainly for the purchase of a plot in New Delhi for the construction of a building for the Headquarters Office of the Corporation.

The investment of General Cash Balance is now anticipated to be about Rs. 2½ crores, as against Rs. 1½ crores originally provided in the Budget Estimates. This is mainly due to savings under Capital expenditure and also partly under administration and other expenses. The closing balance on the 31st March, 1955 is estimated at Rs. 14,60,000 roundly.

#### BUDGET ESTIMATES FOR THE YEAR 1955-56

##### RECEIPTS

##### PRINCIPAL HEADS OF REVENUE

For the purpose of these estimates, the Employers and the Employees' shares of contributions have been worked out on the basis of the collections made

during the first six months of 1954-55. The latter comprises the contributions from the employees in Delhi, Punjab, Kanpur, Greater Bombay, Madhya Bharat, Nagpur, Calcutta City and Howrah District, Coimbatore, and Hyderabad, for the whole of the year and from the employees in Ahmedabad, Saurashtra and Travancore Cochin for eleven months only. The Employers' Special contribution has been provided at the rates now prevailing, namely, at  $\frac{1}{4}$  per cent. in the non-implemented areas and at  $1\frac{1}{4}$  per cent. in the implemented areas. No allowance has been made for any increase in these rates, which the Central Government may decide to make for affording medical relief to the families of the insured persons or for extending the benefits in other directions.

A sum of Rs. 27,40,000 has been provided as a "Grant-in-aid" from the Central Government, representing two-thirds of the anticipated administration expenses of the Corporation for the whole of the year 1954-55. This amount has been included provisionally, on the assumption that the Central Government will continue to pay the grant for the present, though, under Section 27 of the Act, the payment ceases after the first 5 years of the establishment of the Corporation, which has already expired.

#### OTHER HEADS OF REVENUE

A sum of Rs. 18,33,500 is expected to be earned from interest on the investments of the General Cash Balance including (i) a sum of Rs. 500 from interest on loans granted to the officers and staff of the Corporation for the purchase of motor cars, cycles, etc., and (ii) Rs. 20,000 from interest on loans estimated to be granted to the State Governments for the constructions of hospitals etc., for the benefit of the insured workers.

The provision of Rs. 24,000 under "Miscellaneous Receipts" represents mainly the fees expected to be recovered from the insured workers for the issue of duplicates of lost identity cards.

#### RESERVE FUNDS

The provisions on account of the Depreciation and the Repairs and Maintenance Reserve Funds are in respect of the buildings of the Corporation purchased at Bombay and of the two buildings for the Local Offices constructed in Delhi.

A sum of Rs. 10,000 has also been provided for depreciation in respect of the capital expenditure on equipping certain Radiological and Clinical centres expected to be set up in Calcutta, Howrah and Bombay.

The provisions for the Permanent Disablement and Dependents' Benefit Reserve Funds represent the capitalised value of the total liability of these benefits expected to arise out of employment injuries occurring in the course of the year.

#### EXPENDITURE

##### BENEFITS TO INSURED PERSONS AND THEIR FAMILIES

##### Medical Benefits

The sum of Rs. 90,00,000 provided under this head, represents the Corporation's share of the expenditure, which the State Governments are expected to incur on providing medical care and treatment to the insured persons in their respective jurisdictions and which the Corporation will have to reimburse to them in 1955-56. It may also be necessary to make 'on account' payments for expenditure incurred in 1955-56 which some of the State Governments may demand in the course of the year itself.

No provision has, for the present, been made for the grant of medical facilities to the families of the insured workers in the absence of a final decision as to whether such facilities will be provided and, if so, whether this will be done by increasing the rate of contribution or not.

##### Cash Benefits

The provision made for the various cash benefits are based on the actuals for the first six months of the year 1954-55.

##### Administration Expenses

The Administration expenses have been exhibited under two headings—(i) A-Superintendence, and (ii) B-Field Work. The head "A-Superintendence" embraces all administrative expenditure relating to the Headquarters and the Regional Offices, while "B-Field Work" covers similar expenditure pertaining to the Local and Inspection Offices.

The provision on account of pay and allowances has been made for the staff actually required during the year. The posts for which provision has been made are within the number of posts already approved by the Standing Committee. A

statement showing the details of the provisions made under the head "Allowances and Honoraria" is attached *vide* Appendix I.

The provision for the payment of leave and pension contributions is in respect of the employees taken on loan from the Central and State Governments, while the amount shown under "Contributions to the Employees' State Insurance Provident Fund" is in respect of the other employees.

**Contingencies**—(both under "A-Superintendence and B-Field Work".)

**Postage, Telegram and Telephone charges.**—The total provision under this head is Rs. 1,33,600 inclusive of a sum of Rs. 73,500 on account of initial deposits for 18 telephones proposed to be installed at the Local Offices, and for 16 new telephones at the Regional Offices, including two for the Headquarters Office.

**Stationery and Forms.**—A sum of Rs. 2,50,000 has been provided. Besides the usual requirements of stationery for the offices of the Corporation, it includes the expenditure for sitting up the records relating to 2 lakhs insured persons to be covered in Ahmedabad, Saurashtra, and Travancore-Cochin as well as the labour turn-over in areas where the scheme has already been implemented.

**Contribution Stamps.**—The manufacture and distribution of the contribution stamps are expected to cost Rs. 90,000 including a sum of Rs. 50,000 payable to the Imperial Bank of India for their custody and sale. The Employees' Share of contributions is realised by affixing these stamps on the contributions cards.

**Photographs of workers.**—This represents the cost of photographs of employees in implemented areas at Rs. -/5/4 per set of photographs.

#### **Expenditure on Capital Account**

The provision of Rs. 8,08,000 includes Rs. 8,00,000 anticipated to be incurred, in 1955-56, on the construction of a building for the Headquarters Office in New Delhi and the balance of Rs. 8,000 is for adjustment of the advances paid to the Central P.W.D. in connection with the construction of buildings for two Local Offices in Delhi.

A sum of Rs. 37,50,000 has been provided for the construction of hospitals for insured persons and Rs. 3,00,000 for setting up Radiological and Clinical Centres at Calcutta Howrah and Bombay. The above estimate of Rs. 37½ lakhs for the construction of hospitals etc. really envisages a capital programme of half a crore of rupees, as a quarter of the total expenditure will be forthcoming from the State Governments as their share.

#### **Debt Deposits etc.**

A sum of Rs. 10,00,000 has been provided for the grant of loans to the State Governments, for meeting their liability in connection with the construction of hospitals etc. for the benefit of the insured workers.

**Cash Balance.**—It is anticipated that there will be a closing cash balance of Rs. 17,55,394 after investment of Rs. 2,47,20,000 as follows:

Employees' State Insurance Provident Fund balance	Rs. 3,20,000
General Cash Balance	Rs. 2,44,00,000

#### **NEW PROPOSALS**

##### **BUDGET ESTIMATES FOR THE YEAR 1955-56**

The column 12 of the Statement 'A' deals with the receipts and expenditure connected with the extension of the scheme in 1955-56 to the various other centres not included in the sanctioned measures.

#### **RECEIPTS**

The receipts during 1955-56 are mainly expected on account of contributions representing employees' contributions at the existing rates and also the difference of the employers' share of contributions at ½ per cent. and 1½ per cent expected in the areas where the scheme will be implemented.

#### **EXPENDITURE**

The expenditure on pay and allowances is in respect of the officers and staff likely to be appointed during the course of the year. Other incidental charges provided under the various heads are based either on scales or with reference to the amounts provided in the part relating to sanctioned measures. It is anticipated that there will be a closing balance of Rs. 2,22,100 after investing Rs. 21,34,200 (Rs. 1,34,200 on account of the ESIC Provident Fund and another Rs. 20,00,000 of the General Cash Balance).

"A.—Superintendence" and "B—Field Work" have been shown under "A—Superintendence" only under the relevant detailed heads, except in the following cases :—

(a) Pay and allowances of Principal Officers—These have been amalgamated in the pay and allowances of "Other Officers".

(b) Leave and Pension Contributions to the ESIC Provident Fund for all categories of employees have been shown under "Ministerial Establishments". This has been necessitated for the reason that classification of heads prior to 1954-55 was slightly different.
